Education

Bachelor in Information Technology

June 2013

Lebanese International University – Beirut Campus

Recommendations

"Kassem is a dedicated professional and reliably delivers grade A work. He appreciates the "big picture" but never misses the small details in his work. His confident knowledge of what he does makes him a very reliable resource for the project. Moreover, it was a pleasure to work with him on our applications"

— **Nader El Koukach**, *Project Manager – Customer Systems at MAF Carrefour*

"Although I did not work with Kassem for long time but it is very clear that he is a talented and creative mobile developer for both Android and iOS. We worked together on a mobile application that I think has a very unique feature and he accomplish it with a very simple and yet to the point approach, very proud of working with such human being."

— **Mohamed Hassanin**, *Development Manager, Al Ahli Holding Group, at Al Ahli Holding Group*

"Since his graduate and years since then I have seen Kassem grow and flourish in the world of technology. Smart worker, hard worker, and thorough thinker. Always up to date with the latest technology. Kassem also contributes to the company from a business development perspective assisting the CEO in execution strategy and marketing. I expect Kassem to continue to excel and contribute to the business ecosystem in Lebanon."

— **Rami Hajjar**, *CEO, at Hadzup*
